ADDITIONAL INFORMATION REQUIREMENTS

Please submit the information noted below with all treatment requests. If documentation is not received, the requests will be reviewed based on the information available at the time of the review.

- For initial assessment please submit: Comprehensive diagnostic information including standardized measures and referral from diagnosing provider for ABA services to include estimated duration of care.

For initial treatment plan please submit:

- Objective testing showing significant behavioral deficit.
- Description of coordination of services with other providers (school, PT, OT,ST).
- Proposed treatment schedule including the provider type who will render services.
- Proposed functional, and measureable treatment goals with expected timeframes which target identified behavior deficits.
- Proposed plan for parent involvement and training and parent's goals for outcomes.
- Any medical conditions that will impact outcomes of treatment.
- Copy of IEP or IFSP if applicable.

For subsequent treatment requests please submit:

- Objective measures of current status.
- Objective measures of clinically significant progress towards each stated treatment goal.
- Updated plan for treatment including updated goals and timeline for achievement.
- Any necessary changes to the treatment plan.
- Developmental testing which should have occurred within the first two months of treatment.

- Information older than 30 days will be considered outdated and will not be accepted for review.
